

We understand that not every club member has a computer, but you know who those ladies are, please assist them with registering online.

ONLINE REGISTRATION

ONLINE REGISTRATION

We are happy to announce that we are now offering online registration! You will not receive a paper registration form, only the online form. The system will email you a receipt after you have completed your registration. District Presidents have worked hard to ensure we have a current email database, but please check with your fellow clubwomen to make sure they have received the email too. If they have not, please ask them to email their contact information to Julie Walters at Jude128@aol.com. If you have members in your club that do not have a computer, please assist them with registering with your computer. Maybe take a laptop to your next club meeting.

TWO STEPS

Registration is a two step process.

Step One- From the online message, click on the [Register Now!](#) button and complete your registration to attend.

Step Two- From the online message, click on the Book your Hotel link to register online or by call 706.353.6800 and use the code GFWC Georgia to reserve your hotel room. The rates begin at \$139 plus taxes and fees.

ONLINE REGISTRATION FORM

When you click on the [Register Now!](#) button the registration form will display. All of the required fields have an asterisk beside them. You will complete the registration form by entering the information into the fields. The convention registration fee is \$25.

The middle section of the form is where you will purchase your meals by entering the number 1 in the quantity field beside each meal you want to buy. The description and price of each meal displays in that meal block.

After the meals section is the Sellables section. If you want to pre order items you can purchase them as part of your registration and pick them up from the GFWC Georgia sellables table at convention.

Under the payment section you will see you have two options for payment-credit card or check.

Then all you have to do is click the Register button and the system will process your registration and email you a confirmation.
