

Collection for Athens Nurses Clinic

At the 2018 GFWC Georgia Convention we are asking everyone to bring items for Hygiene Kits for the Athens Nurses Clinic.

The Athens Nurses Clinic is a non-profit 501 (c) (3) healthcare clinic providing free evaluation, treatment and education for acute and chronic medical and dental conditions to uninsured low-and-no income people of the community.

Our goal is to create Hygiene Kits that we will donate to the Athens Nurses Clinic. So that we do not get 2000 bars of soap, we have divided the items by district. Please bring your items to the Parthenon Room at the Classic Center when you arrive at convention. We will be creating the Hygiene Kits Saturday, April 21, from 2pm-3pm in the Parthenon Room.

If you are in the Central East district you bring full size shampoo and conditioner.

If you are in the Central West district you bring soap (bar or gel) and washcloths

If you are in the North East district you bring shaving cream and razors

If you are in the North West district you bring socks and chap stick.

If you are in the South East district you bring toothbrushes and toothpaste.

If you are in the South West district you bring lotion and combs.

If you would rather donate money and then we can buy supplemental items, please feel free to mail a check made payable to GFWC Georgia and mail to the state office at GFWC Georgia, 900 School Road, Tallulah Falls, Georgia, 30573—noting the donation is for the Collection for Athens Nurses Clinic. We also have a line where you can donate to this collection on the online registration form.

Thank you for your support and devotion to helping improve the lives of people in our state.

Tiffany Parker, GFWC Monroe Junior Woman's Club
