What Dinner Party Is All About

- Dinner Party is a membership event to engage current members and gain new members!
- On the same night at the same time, clubwomen from across Georgia will be hosting a Dinner Party to benefit Wellspring Living. We will post/share photos during our Dinner Party on social media.
- You will invite your club members— who will bring a guest/partner/spouse/significant other. AND you will invite at least one potential new member /her guest to attend.

Dates

- Saturday, April 29, 2023
- Saturday, April 20, 2024

Host

- Decide who in your club will be the hostess. And you can have more than one hostess and Dinner Party.
- Decide where to hold your Dinner Party—the hostess' home, a clubhouse or a restaurant.
- Decide a menu for your Dinner Party. You can choose to have members cook or have it catered.
- Decide what you want to charge guests to attend. We recommend \$25 a couple.
- Send information to Julie at membership@gfwcgeorgia.org. She will create your invitation for you. (see next page for example)
- Using the PDF created for you, email the invite club members/partners to attend your Dinner Party.
- All money collected will be donated to Wellspring Living.

Reporting

- You will report your Dinner Party in your Membership Report.
- If you provide the food or have it donated, you will report that amount as an In Kind donation.
- The amount that people pay to attend your Dinner Party will be reported as members dollars donated.

Funds

- You can choose to get the food donated, pay for the food, deduct it from funds raised or use clubs funds— you decide. If you choose to deduct the cost of the food from the ticket price, you might want to charge more than \$25 a couple. Our goal is to net \$25 a couple for Wellspring Living.
- Dinner Party guests will write their checks to their clubs. Each club will write ONE check to GFWC Georgia. That way we can keep track of funds when we write ONE check to Wellspring Living.

ABOUT GFWC GEORGIA

GFWC Georgia’s mission is to enhance the lives of others in our local communities through volunteer service. GFWC Georgia and its members create global change working on a local level—they select projects and programs by determining the specific needs of the communities in which they live and work every day. Our State organization is composed of 75 women’s clubs divided into 6 districts throughout the State of Georgia. A woman’s club can be either of general, junior or juniorette status, whose membership provides volunteer service to their community. To date, there are approximately 1,700 members through the State. Every Georgia clubwoman is also a member of the General Federation of Women’s Clubs (GFWC). GFWC is one of the world’s largest and oldest nonpartisan, nondenominational, women’s volunteer service organization, headquartered in Washington, D.C. It has a long history of philanthropy, social and political advocacy and community leadership.
