

Welcome to the Community

Whether you are new to town or just moving into a new home, we say **congratulations**, and we are glad you are here.

As you know, **we get the community we make**. And one of the things that makes our community better is through the work we do as members of the Georgia General Federation of Women's Clubs.

Founded in 1890, the General Federation of Women's Clubs is an international women's organization dedicated to community improvement by enhancing the lives of others through volunteer service.

GFWC clubwomen transform lives each day, with hands-on tangible projects that provide immediate impact. With nearly 80,000 members in affiliated clubs in every state, the District of Columbia, and more than twenty countries, GFWC members work in their own communities to support the arts, preserve natural resources, advance education, promote healthy lifestyles, encourage civic involvement, and work toward world peace and understanding. ®

We invite you to join us. Email membership@gfwcgeorgia.org if you are interested in information about the club in your community.
