

Purchase a 2023 Convention Program Ad Today

For the first time, GFWC Georgia is selling Convention Program Ads to help defray program printing costs and/or the Convention expenses (GFWC Georgia expenses), it was suggested and approved by the Executive Committee that we sell ads for our Convention program. This is a fantastic

way to pay tribute to someone, celebrate a club milestone, recognize new members, recognize sponsor support for GFWC Georgia, advertise your business or advertise an upcoming event. Ads can be printed in color.

Members, please share this information with your clubs, contacts, friends and/or post on your social media channels. This is a great opportunity for companies to introduce themselves to our members, members who may actually purchase and/or learn more about their businesses by visiting their websites, etc. Ads must be approved by committee members.
